

DIRECTOR OF RESIDENT CARE (TEMPORARY FULL TIME/PART TIME MATERNITY LEAVE COVERAGE)

Queens Manor, a 61-bed long-term care facility located in Liverpool, Nova Scotia, is seeking an innovative and enthusiastic Registered Nurse to join its leadership team as Director of Resident Care (one year maternity leave coverage). Yes, you are a registered nurse, but you are also a dynamic and motivated leader who engages your resident care team in finding solutions to the many challenges they face. You will lead a team of care professionals who make a difference in the lives of the residents of Queens Manor. As an integral part of the senior leadership team, you will work closely with and be accountable to an Executive Director passionate about progress and committed to achieving the Board's vision of a long term care facility recognized as the residence and employer of choice.

Responsibilities

The Director of Resident Care assumes the responsibility to assess, plan, implement and evaluate the Nursing Services of Queen Manor. The Director of Resident Care strives to provide the highest standard of care possible to the residents, consistent with the available resources and in accordance with the philosophy, objectives and policies of Queens Manor and current gerontological practice. The Director of Resident Care also assumes responsibility for the overall facility operation in the absence of the Executive Director.

Qualifications

- A Registered Nurse in good standing with the Nova Scotia College of Nursing (NSCN).
- Excellent verbal and written communicator
- Five years experience in long term care or acute care environment
- Experience in managing, directing and inspiring others
- Demonstrated genuine interest and passion for the ageing population.

Assets

- Experience in a managerial/supervisory nursing role.
- Knowledge of collective agreements, human resources best practices and the management of unionized staff.
